

Dear Cumberland Families,

Cumberland's K5 and 1st Grade Level Concerts **will be held on Thursday, March 9 in the Cumberland Great Room**. Each concert will last approximately 25 minutes. This year's concert theme is "No Matter the Weather, We Make Music Together!"

**5:30 PM      All K5 Students**  
**6:30 PM      All 1st Grade Students**

Students should plan to arrive 5-10 minutes before their concert start time. Students will meet at the Great Room stage steps and will be directed to go to the risers. At the end of the performance, we will ask one family member to come to the stage area to pick up their child.

**K5-1st Grade Concert Dress:** Students are encouraged to dress nicely, as they would for any special occasion. There is no need to buy anything new for this event.

If you have any questions, please feel free to email or call me. I look forward to seeing you during our March performances!
