

**Parent/Guardian and Community Member Representatives Sought for
World Language Renewal and Design Committee**

Our district evaluates and improves every curricular subject area on a six to seven-year cycle through the work of curriculum review committees. Typically, one or two parents/guardians and community members serve on each committee. Beginning in fall 2023, the academic area of K – 12th grade World Language will be reviewed.

Per School Board policy, interested parents/guardians and community members must apply to participate on curriculum renewal and design committees. Applications are reviewed by the Administrative Council. Parents/guardians and community representatives are selected based on the following criteria:

- Training, interest, or experience in this area
- Reasons for wanting to be on this committee
- Ability to contribute to meeting the goals set forth in the committee’s purpose
